Council OKs Water Boundry

The City Council heard an outline of the boundaries of the area which is to be included in the \$2,000,000 water bond issue scheduled for vote on January 8. Last day to register for this important election was November 15. R. C. Kenner, engineer with the James M. Montgomery Co., said that the district, to be known as District No. 3, embraces all of the city, except four areas. Hollywood Riviera, served by the California Water Service Co.; west Torrance, served by the Dominguez Water Co.; northeast Torrance, served by the Moneta Water Co., and southeast Torrance, served by the Narbonne Ranch Water Co. No protests were heard at the session, which was adjourned until Nov. 20.
